TECH CENTER 1600/2900

In response to the Notice of Draftperson's Patent Drawing Review dated April 26, 2002, that was attached to the Office Action mailed July 2, 2002, applicants enclose herewith corrected drawings for Figures 1-9. The corrected drawings were originally due August 2, 2002. Based upon the one month extension of time filed with response to the July 2, 2002 Office Action, corrected drawings are now due September 2, 2002. However, since September 2, 2002 was a federal holiday (i.e., Labor Day), a response filed the next business day, namely, September 3, 2002, is considered timely pursuant to 37 C.F.R. §1.7. Accordingly, the corrected drawings are being timely filed.
